Care for Creation Prayer - Lent

Creator God,

In this season of Lent, we turn back to You in repentance and hope.

We confess that we have not always cared for Your creation as we should.

Forgive our wastefulness and our indifference.

Help us to live more simply, and more gratefully.

As we pray, reshape our habits.

As we seek renewal, guide us to protect the earth
and to care for those most affected by environmental harm.

Renew our hearts, O Lord, and renew the face of the earth.

Through Jesus Christ our Lord.

Amen

ECO-Friendly Tips

For Churches: Plan a "Green Lent" initiative - Encourage simple living challenges. Share eco-reflections in notices.

For Individuals: Start Composting & Grow Something - Use food scraps to prepare for spring planting. Start herbs or veg indoors ready for Spring.

Important Question for churches: Who in your congregation has either the skills or passion to join an ECO community across our circuit to help drive awareness of taking ECO action. Let Steve know and we can start getting together and supporting each other. Email Steve. stephenjallen17@gmail.com
