Prayer for Autumn

Loving Creator, we thank You for the beauty of Autumn

- the changing colours, crisp air, and harvest abundance.

As the seasons shift, remind us of our responsibility to care for Your Creation.

Help us to be mindful stewards of the earth, to protect its resources,
and to honour the delicate balance of nature.

May we act with wisdom and love, preserving this world for future generations,
and always giving You praise for the wonders of Your handiwork. **Amen**

ECO-Friendly Tip

Compost your fallen leaves instead of sending them to landfills.

Composting leaves adds valuable nutrients to your garden soil, reduces waste, and helps cut down on methane emissions from landfills. You can mulch them directly into your lawn, enriching the soil and protecting plants through the colder months.

Question for Churches

If you have a green space - do you have composting facilities on your Church land?....Yes/No. Email Steve and let him know! stephenjallen17@gmail.com

Ryders Green Day Centre 40th Anniversary Open Day Wednesday 6th November 2024 11am – 2pm

A warm invitation is extended to you to join us in celebrating a significant milestone—the 40th anniversary of Ryders Green Methodist Day Centre. Over the past four decades, the Centre has been a cornerstone of our community, providing invaluable care and support to those in need, and this celebration is an opportunity to reflect on the incredible work we have achieved together.

During the event, you will have the chance to learn more about our history, meet staff and volunteers, and hear first-hand accounts of how our services have positively impacted the lives of many.

There will be a buffet lunch, allowing guests to relax, network, and enjoy the company of other supporters. This gathering will be a wonderful opportunity for us to come together and celebrate the lasting impact of Ryders Green Methodist Day Centre over the last 40 years.

Compassionate Communities Bereavement Workshop

Wednesday 13th November

10.30-12.30 at Lea Brook Methodist Church.

The above workshop, provided by the Murray Hall Trust who say "*Everyone is affected by death, dying or loss in one way or another but it is not an easy subject to talk about. The Compassionate Communities workshop will provide a safe space to discuss sensitive issues around death and dying and to share stories (for those who wish) in an informal and friendly way.*"

This safe space is open to anyone who is interested - booking is not essential but it would be helpful if you are able to let Karen in the office know if you plan to attend just to give us a rough idea of numbers.

Safeguarding Sunday Sunday 17th November

This is the day where we are asked as a Church to pray for, and to focus on, our shared work in Safeguarding.

Free resources are available from this website: <https://safeguardingsunday.org/>

Please do all you can to promote this in your churches.
